

Project Architect

ABOUT WESTGROUP DESIGNS

Westgroup Designs (WD) is a comprehensive Planning, Architecture and Interior Design firm headquartered in Irvine, California. Founded in 1989, WD is a woman-owned business that values passion, integrity, execution, teamwork and an enthusiasm for discovery. We specialize in educational, civic, healthcare, and commercial facilities, ranging from tenant improvements and renovations to new ground-up buildings and campuses.

WHAT WE OFFER

- Collaborative, supportive and fun office culture, which was recognized in 2015 as one of the Top 30 Best Places to Work in Orange County by the Orange County Business Journal. Employee well-being and professional development are central to our culture, including weekly Lunch-n-learns/CEU sessions, industry event participation, monthly wellness initiatives and flexible working hours with half-day Fridays.
- Work alongside industry leaders who specialize in workplace strategies, health & wellness design, and learning environments.
- Located in the Google Center, our Irvine office is newly expanded and remodeled with a modern, open office design for staff to enjoy generous day-lighting, collaborative workspaces and break-out areas, and a quiet lounge area. The Google Center campus features onsite parking, several cafés and multiple outdoor seating areas.
- Competitive salaries commensurate with level of education, experience and leadership potential.
- Comprehensive benefits package that includes health, dental and vision care; holidays and PTO; and 401(k) and profit-sharing programs.

PRIMARY RESPONSIBILITIES

As a Project Architect, you will be responsible for leading the preparation of construction documents in collaboration with the Project Manager, coordinating documents from all team members (internal production staff, sub-consultants, contractors); construction administration including reviewing shop drawings and project submittals; and documenting code review and compliance. The ideal candidate will possess a solid understanding of industry standards, construction methods, and building technical systems; a collaborative approach and attitude; and a high level of technical proficiency in the production of construction documents utilizing Revit.

REQUIREMENTS

- 7+ years of architectural experience
- Bachelor's Degree in Architecture, or equivalent; advanced degree is a plus
- California Architectural License
- Proficient in Revit with proven work experience in an architectural environment
- Experience with California education (DSA preferred), healthcare (OSHPD preferred), and/or commercial projects
- CASp certification is a plus
- LEED accreditation is a plus
